

1500 LADY CONSTABLES TO BE APPOINTED DURING THE CURRENT RECRUITMENT.

Karachi, February, 21: A 3-member delegation of the Bureau of International Narcotics and Law Enforcement Affairs Pakistan (INL-P), embassy of the United States of America called on Inspector General of Police Sindh Ghulam Hyder Jamali at Central Police Office today. The delegation was headed by INL Attaché, US Consulate, Karachi, Ms. Brooke E. deMontluzin.

The delegation discussed in detail about various capacity building measures and strengthening/expansion of Command & Control Center, CPO for surveillance and monitoring. The delegation expressed its commitment in execution of all the proposed/agreed projects.

IGP said during the meeting that Sindh police has decided to induct at least 1500 lady constables during the current recruitments. He added, women police officers were being encouraged to join police force and they will also be provided Anti-terrorism training. IGP further informed that Forensic Laboratory facilities were being extended to Hyderabad and Sukkur police ranges for which practical steps are underway. He informed the delegation that a well equipped Forensic Laboratory was already working in Karachi.

Installation of 2000 more cameras at 400 new identified locations of the city was also discussed in detail for which INL is providing all necessary assistance. "Zonal Command & Control Centers would also be established in Karachi and remain in direct link with the Central Command & Control Center at CPO. The expansion project would be launched shortly".

IGP Sindh Ghulam Hyder Jamali while paying thanks to INL and especially Government of USA said that with the capacity building measures and addition of such sophisticated devices would enhance the Investigation capability. "Sindh Police is determined in its drive against criminals and it will stay undeterred against all odds", he maintained.
