**IGP SINDH ADDRESSED THE CONFERENCE ON**  
**“STRENGTHENING CITIZENS ACCESS TO JUSTICE.”**

**Karachi:(Nov 07):-**

IGP Sindh Dr. Kaleem Imam said that the recruitment of police officials, following the merit and he wants to build the capacity and training of these police officials."I believe in learning and do not believe egoistic sentiments. Introduction of technology within police is must," he added.

He was addressing at the Provincial Consultative Conference "Strengthening citizens access to justice "under Addressing Root Causes(ARC) Project" improved access to fair, legitimate and effective justice in Pakistan, organized by Sindh Agricultural and Forestry Workers Coordinating Organization (SAFWCO) at local hotel.

He said women protection cells has resolved hundreds of cases. We have increased quota of women police officials. He suggested to have study the society, see how the people become criminals and terrorists.

He said major issues presently police are facing, including honour killing, domestic violence, child rights, minority rights and bonded labour. He said quite recently it is reported that 219 people have committed suicide in Mirpurkhas division. After happening these incidents police keep strict eye to curb this, but for this people need to help police to achieve goal together.

On this occasion Barrister Murtaza Wahab, Advisor to CM Sindh for law, Syeda Shehla Raza, Minister for women development, Barrister Shahida Jameel, former federal law minister, Jami Chandio, renowned writer, Mohammad Qazlibash, country director of Oxfam, Justice Ali Aslam Jaffery, former judge Sindh High Court also addressed.
