No. 6129-60/E-II:81

Karachi, dated: - 21 - 07-2020

Subject: IMPLEMENTATION OF HRM SYSTEM IN SINDH POLICE.

In 2017, Human Resources Management System (HRMs) was introduced in Sindh Police to keep digital record of all the administrative affairs including service matters of all employees of Sindh Police. All orders especially those relating to service matters required to be issued through this system but it has been observed that instructions have not been complied in letter & spirit (list of orders that can be generated through this system is attached).

2. The competent authority has taken serious view of this practice and passed the directives for issuance of orders through HRMs in Sindh Police. These instructions shall be followed rigidly.
